

At the start of the year my Father in Law died after a relatively short fight with Cancer.

However 20 years ago John had Kidney problems which resulted in him being on dialysis daily, initially in Hospital and eventually at home. 17 years ago John had a Kidney Transplant at Royal London Hospital and with their support and the dedication from John, he was able to maintain a good life and exceed the expectancy of the transplant. During the whole time John was mindful that someone had given him a second chance and with the skills of the doctors and nurses he was able to see his daughter marry and his Grandchildren grow for which he was always grateful.

The Royal London Hospital Kidney Patients' Association is a charity that John supported and I would like to continue to, in John's name.

John was a keen Golfer and was a Member at Warley Park Golf Club where I invite you to join me.

I have attached a Flyer with details.

With the Auction/ Raffle I have already secured 4 Premiership tickets and will be looking to expand upon this nearer the time. If anyone can assist in this area or would like to donate or know a company that would support us please contact me on the below number or email.

Thank you in advance

John Glibbery Charity Golf Day

In honor of the much loved John Glibbery this is the inaugural Charity Golf Day at his beloved club Warley Park.

To raise money for the Kidney Charity that he supported over the years we will be holding a raffle / auction so all donations well received if you are unable to attend on the day.

Please contact

Gary Binder (John's Son-in-Law)
